NYC BOARD OF ELECTIONS ANNOUNCES SEVERAL POLL SITE LOCATION CHANGES DUE TO HURRICANE SANDY

Our thoughts are with the residents of the City of New York affected by Hurricane Sandy.

Due to the damage incurred by Hurricane Sandy, the Board of Elections in the City of New York is temporarily relocating or combining some poll site locations across all five boroughs to ensure that voters are given the opportunity to exercise their right to vote

With the assistance of multiple City agencies especially the Governor's and Mayor's Office and the Department of Education, the Board surveyed and assessed all polling sites in each borough and determined the usability and accessibility of each poll site in advance of this Tuesday's election. We have consolidated some poll sites and found alternative locations for others. Below is a list of all poll site location changes.

"Our staff, with the help of other local and state agencies, has been working around the clock to ensure a smooth Election Day for all New York voters," said BOE President Maria R. Guastella. "I would like to thank the Campaign Finance Board for their assistance in helping us communicate the changes we have had to make prior to this election and assisting us with volunteers. Poll site relocations and modifications were deemed an important and necessary change in order to accommodate all voters."

The Board urges New York voters to visit the poll site locator on our website or use our Smartphone application to verify their poll site location prior to Election Day this Tuesday, both of which have been updated to reflect these changes. Shuttle service will be provided to assist voters in getting to their poll sites in Coney Island, Far Rockaway and Staten Island. Additional information and routes will also be posted our website prior to Election Day. "The Board appreciates the patience of New York voters as we make necessary modifications in the wake of this devastating and historic storm," said Board Secretary Frederic M. Umane. "We encourage anyone with any questions to visit our website, use our poll site locator, or contact us directly."

Due to the uncertainty to restoration efforts, please be advice that additional poll site changes could occur and we urge you to check your poll site location prior to Election Day. Please visit our website at www.vote.nyc.ny.us, or call 3-1-1, if you have any additional questions.
